**SUMMER WORSHIP TIMES** It has been suggested that a single, fairly early service time would allow folks to attend church and still have plenty of time for summer activities with family and friends. Our Church Council will be discussing the possibility of consolidating worship services for the months of July and August. To facilitate that discussion we are asking you to participate in a survey to determine the most desirable time for worship during the summer. To enter your preferences please click here: <https://www.surveymonkey.com/s/YS9ZY6F> . Thank you for your participation.

**AUTOMATIC GIVING DOESN'T TAKE A VACATION** This summer, if you can't make it to church due to travel or other commitments, we encourage you to automate your regular donations. The church relies on the consistent financial support of the congregation and electronic giving offers an easy way to give on a recurring basis. Please visit your bank's on-line bill pay service and set up payments of your regular gifts to be sent the church while you are away. We thank you for your continued support!
