**GOOD NEIGHBOR PROJECT WORK DAY JULY 11<sup>TH</sup>** you may remember that a Good Neighbor Project was announced back in April. The project was to fix soffits, eaves and siding on the home of Georgia Johnson. DeKalb County was going to cite her if she failed to make the repairs to her home. She was unable to afford the repairs. A few days after we announced the project and requested volunteers we received a call from Ms Johnson who informed us that our services were not needed. DeKalb County had a program to assist seniors make necessary repairs to their homes.

Flash forward to June. Ms Johnson called us and told us the DeKalb County program no longer has sufficient funds to help her. We told her that St. Paul UMC would be happy to help her. We are asking for volunteers for a work day at Ms. Johnson home on Saturday, July 11th. Our normal workday begins at 8am and we work until 1-2PM. If we have enough volunteers we can easily accomplish our tasks. Please check your calendars and let Robin South or Marcus Merritt know if you can volunteer to help Ms. Johnson on that date. The Good Neighbor Project only succeeds when we have volunteers to help. All skill levels (including the 00 Level) can be used. Please join us in participating in this valuable St. Paul UMC program. Thank you. Any questions call Robin South at 404-964-6543 or [rsouthxsouth@mindspring.com](mailto:rsouthxsouth@mindspring.com).
